## SPRING CLEAN-UP

MAY 27-JUNE 15

LET US HELP YOU GET  
A JUMP ON SUMMER

### SCHEDULE MEETING

During our initial visit, we will assess your needs and set a date and time for the cleanup. While we strive to adhere to this schedule, we ask for your patience, as our program is powered by volunteers.

### SET CLEAN-UP DATE & TIME

We will arrive at your home on the specified date and time to start the clean-up process. Your presence is not required. All debris will be removed and hauled away, so you won't have to worry about disposal.

### DONATE TO THIS PROGRAM

We offer these services at no cost to support individuals dealing with chronic conditions. To continue providing this assistance, we need support from our community. We are seeking financial contributions and skilled volunteers for our program..
