EBHI PROGRAM INSTRUCTOR

Job Title: **EBHI Program Instructor**

Status: **Part time, Non-Exempt**

Reports to: **Erin Widener, YMCA of Alaska Community Health Director**

Last Revised: October 2026

POSITION SUMMARY:

The Evidence-Based Health Intervention (EBHI) Program Instructor facilitates YMCA of Alaska health and wellness programs designed to help individuals and families prevent and manage chronic diseases and improve overall well-being. The instructor delivers evidence-based curriculum, leads educational and physical activity sessions, and supports participants in developing sustainable, healthy lifestyle habits. Through encouragement, education, and group engagement, the instructor empowers participants to make positive, lasting changes to their health.

This position supports the work of the Y, a leading nonprofit, charitable organization committed to strengthening our community through youth development, healthy living, and social responsibility. The EBHI (Evidence Based Health Intervention) Program Instructor at The YMCA of Alaska serves others by intentionally welcoming, connecting, and supporting them and inviting them to get involved and give back to the community.

OUR CULTURE:

Our mission and core values are brought to life by our culture. In the Y, we strive to live our cause of strengthening communities with purpose and intentionality every day. **We are welcoming:** we are open to all. We are a place where you can belong and become. **We are genuine:** we value you and embrace your individuality. **We are hopeful:** we believe in you and your potential to become a catalyst in the world. **We are nurturing:** we support you in your journey to develop your full potential. **We are determined:** above all else, we are on a relentless quest to make our community stronger, beginning with you.
